Tony Lucas, Manager  
City of Conyers  
1184 Scott St.  
Conyers, GA 30012

Dear Mr. Lucas:

For several reasons, Keep Conyers-Rockdale Beautiful (KCRB) plans to soon request the County's Board of Commissioners (BOC) expand by resolution our current 7-member Advisory Council to a total of 15 seats, which in turn would increase the number of City- recommended seats from 2 to 4 total. We also plan to request a name change from Advisory Council to Board. Both of these changes we believe are long overdue since the BOC created KCRB in its current iteration in 2005.

We work tirelessly to keep our community clean and educate the public about the importance of litter prevention, recycling and beautification. To aid in our efforts and become more effective, we need to "expand the tent" so to speak and target more business and civic leaders and students to these newly created seats.

This letter is to inform you of our intentions, as well as see if you, Mayor Mills or any City Council member have any questions. We would like to present our request to the BOC at its Sept. 20 Work Session and Sept. 27 Voting Session. If you have questions about the expansion, or would like to discuss the proposed changes, please feel free to contact me at 770-895-0938, or our staff liaisons Tonya Parker or Jeannettia Owens with the Community Affairs & Innovative Programs department at 770-278-7056.

Ultimately, this expansion will be beneficial to KCRB because it allows us to build on our successes, while working more efficiently to keep our community clean. We value and appreciate the City of Conyers' support in helping us move forward with our vision to better serve this community.

Sincerely,

Tisa Smart Washington, Chair  
Keep Conyers-Rockdale Beautiful
